

February 6, 1973

SPEAKER: Thank you.

CLERK: Mr. President, Senator Marsh asks to be excused for one hour.

SPEAKER: Are there objections? Hearing none so ordered. Do we have any other motions on the desk?

CLERK: None, Mr. President.

SPEAKER: Any business on the desk?

CLERK: None Mr. President.

SPEAKER: Ready for the consideration of the bills on general file. The first bill on general file for consideration this morning will be LB 84.

CLERK: Title Read LB 84.

SPEAKER: The Chair recognizes Senator Carpenter.

SENATOR CARPENTER: Mr. President what this bill does is authorize the Clerk after January 1, 1975, to bind the loose leaf proceedings of the legislature in the journal. It's felt that a substantial amount of money might be solved by using this method rather than have them bound in the method in which we have usually done it. I move for the bill being advanced to E&R for initial.

SPEAKER: Is there any further discussion on the bill? You've heard the motion and I'm not sure this Chair did hear a second, to Senator Carpenter's motion. Thank you. You've heard the motion with the support to advance LB 84 from general file to E&R initial. Is there any further discussion? All those in favor of advancing the bill please say aye, vote aye, all those opposed vote no. Have you all voted? The Clerk will record the vote.

CLERK: 32 ayes, no nays, 17 not voting.

SPEAKER: The bill is advanced. This brings up Senator Goodrich's LB 247.

CLERK: Title Read LB 247.

SPEAKER: The Chair recognizes Senator Carpenter, Carstens.

SENATOR CARSTENS: Are you talking about 152?

SPEAKER: No, 247. Senator Carpenter for what purpose do you rise?

SENATOR CARPENTER: I'd like to move to lay the bill over until tomorrow, I've read the bill a number of times, I don't quite understand it, and I'm having some research made on it and I presume it will be available sometime this morning or certainly not later than tomorrow morning.

SPEAKER: Senator Goodrich; do you care to respond?

SENATOR GOODRICH: Mr. President, members of the body, if Senator Carpenter would give me an indication of what it is he would like to know about, perhaps I can answer the question.

SENATOR CARPENTER: Well I'm trying to find out what you're trying to do.

SENATOR GOODRICH: Is it in order? Do we have to adopt the amendment first and then go into the discussion of the bill?

SPEAKER: The Chair recognizes Senator Carstens.
